PROFESSIONAL SUMMARY

Cybersecurity Student pursuing a B.Tech in Computer Science Engineering (Cybersecurity), with hands-on experience in web application penetration testing, vulnerability assessment, and network security — skills directly relevant to safeguarding sensitive litigation, compliance, and eDiscovery data. Proficient in Python and Bash scripting for automating security workflows, with working knowledge of SQL for data-driven analysis. Experienced with SIEM tools (Splunk) and log analysis for threat detection, and applies RBAC and AWS IAM principles for secure access management. Holds AWS and Cisco-certified credentials with additional training from IIT-backed NPTEL programs. A quick learner with a strong academic foundation, eager to bring a security-first mindset and Python/SQL scripting ability to Casepoint's eDiscovery and compliance technology platform.

TECHNICAL SKILLS

Security & Compliance	Vulnerability Assessment, Web App Penetration Testing, SQL Injection (SQLi), Cross-Site Scripting (XSS), SIEM, Log Analysis, Ethical Hacking
Programming & Scripting	Python, Bash, SQL, HTML, C
Security Tools	Burp Suite, Nmap, Wireshark, Recon-ng, Splunk
Cloud & Access Management	AWS, AWS IAM, RBAC (Role-Based Access Control)
Networking	TCP/IP, DNS, HTTP, Network Security, Operating System Security
Operating Systems	Linux (Kali, Ubuntu), Windows
Other	Cryptography, Network Monitoring

ACADEMIC PROJECT

AI-Based Web Penetration Testing & Learning Labs | P P Savani University

Tools: Burp Suite, Python, HTML, RBAC, SIEM

- Automated detection and classification of vulnerabilities using Burp Suite and custom Python scripts on lab web targets.
- Built an automated reporting pipeline with an HTML dashboard to document findings and evidence, replacing slow manual test reporting workflows.
- Designed RBAC-based learning labs with realistic vulnerability scenarios, enabling students to safely practice authorized penetration testing with controlled access boundaries.

EDUCATION

B.Tech CSE (Cybersecurity), P P Savani University, Surat	2023 - 2026	SEM(5) CGPA: 6.95
Intermediate - MPC, Sri Viveka Junior College	2021 - 2023	876 / 1000
SSC, Paparao High School	2020 - 2021	577 / 600

CERTIFICATIONS

- AWS Academy Graduate (Amazon Web Services)
- Cloud Foundations (Amazon Web Services)
- Introduction to Cybersecurity (Cisco)
- Practical Cybersecurity for Cyber Practitioners (NPTEL - IIT)
- Blockchain and Its Applications (NPTEL - IIT)

LANGUAGES

Telugu (Native) | English (B2 - Upper Intermediate) | Hindi (B2 - Upper Intermediate)
